## Prayer of Thanksgiving for Anglicare Sunday 2026

Gracious and loving God,
We give you thanks for the work of Anglicare
for its ministry of compassion, justice, and hope.
Thank you for every hand that serves,
every heart that gives,
and every voice that advocates for those in need.

We praise you for volunteers who offer time and care with gentleness,
for donors who give generously and without self-interest,
and for staff and chaplains who share not only words of hope,
but their very lives with those entrusted to their care.

We praise you for the faithful witness of Moses,
and for all who serve with courage, humility, and devotion.
As one generation entrusts your work to the next,
raise up willing hearts to continue your ministry of compassion and hope.

You have been our dwelling place in every generation.
Satisfy us with your steadfast love and renew us by your Spirit;
let your favour rest upon all who minister in your name,
and establish the work of our hands.

Bless this parish, O Lord, and deepen our love for you,
with all our heart, soul, and mind.
Strengthen all who partner in the mission of Anglicare
to love our neighbours through compassionate service, justice, and peace.

In Jesus' name we pray,
Amen.
