

WOLLONDILLY GARDENS

GOULBURN • NSW

Each day we live here, we live here.

Situated in a tranquil setting overlooking the Wollondilly River, Wollondilly Gardens is the perfect place for a peaceful lifestyle in a country setting.

Wollondilly Gardens is conveniently located on the Southern Highlands mid way between Canberra and Sydney with easy access to major medical, recreational and cultural facilities.

Wollondilly Gardens is a community in itself, with well appointed villas ranging from one to four bedrooms, up to and including deluxe design villas.

The cost of the villas is considerably cheaper than in nearby Canberra, Bowral and Sydney, making Wollondilly a very attractive and affordable retirement option.
