In 2017, 12 family homes and 45 buildings were destroyed in a disastrous bushfire.

Bungendore Anglican Church led by Rector Michael Pailthorpe (pictured), along with Anglicare's Disaster Recovery volunteers were among the first to respond following the devastating Carwoola bushfires.

The Reverend Peter Dyke, a qualified counsellor from Christ Church Queanbeyan, also partnered with Anglicare to provide counselling to those affected by the fire.

Bungendore and Queanbeyan parishes are just two of many churches working alongside Anglicare to make a difference.

For Margaret, a single mother of seven, visiting St John's Care in Canberra isn't just about receiving food assistance. It's about being surrounded by a caring group of people who understand her situation and provide emotional, as well as practical, support.

"I don't know what I would have done if I hadn't received help from St John's and Anglicare."

- Margaret

St John's Care, based at St John's parish in Canberra, is a partner with Anglicare and assists around 400 people per month.
