

A vibrant, abstract background with warm tones of orange, red, and yellow. Overlaid on this are various creative tools: a paintbrush with a brown handle and white bristles, a camera with a blue lens, a laptop, a notepad with a pencil, and a sheet of paper with a target icon and a highlighter. The text 'CREATIVE ARTS COMPETITION' is written in large, bold, white letters on black rectangular banners that are layered over the central part of the image.
