

A vibrant graphic for a creative arts competition. The background is a warm orange-red color with abstract, overlapping shapes in yellow, purple, and blue. In the center, three black banners with white text read 'CREATIVE', 'ARTS', and 'COMPETITION' from top to bottom. Surrounding the text are various artistic tools: a paintbrush with a brown handle and white tip, a camera with a blue lens, a laptop, a notepad with a pencil, and a sheet of paper with a target symbol and a highlighter. The overall style is modern and energetic.
