We need your voice! Help shape the future for Anglicare's Youth and Family Services.

HAVE YOUR SAY!

WHAT IS INVOLVED?

- You'll participate in focus groups, complete surveys, attend events, assist with social media planning and help with other activities as identified by staff.
- You'll act as a panel member during interviews for relevant Anglicare roles—and be paid to do so.
- You'll give your opinion, offer suggestions and create positive change.
- Your regular attendance is required for membership, but you can stop being a member whenever you choose.

WHAT'S IN IT FOR ME?

- You'll receive payment of \$30 for an hour meeting, and \$50 for meetings longer than an hour. Payment is in the form of a gift card.
- You'll be paid for training, if it is required, and for any involvement with interview panels.
- You'll have the opportunity to develop transferable and job-ready skills and form connections with staff and volunteers in the community sector.
- You may receive training when required, learn to co-facilitate meetings, have the chance to speak on panels, and provide feedback that will inform changes in service delivery.
